red

Reds, Corals & Pinks are warm, vibrant colours that create a sense of intimacy and strength. Ranging from soft shades of coral and pink to bold, aggressive reds, these are colours that should be used with care. The paler tones are cheerful colours that reflect light to warm or brighten cool or dark rooms.

&

brown

Browns are country colours that bring a feeling of honesty, friendliness and warmth to the home.

Within the range of Browns there are almost infinite possibilities. Dark Browns are warm and quiet.

Please take the time to check an actual powder coated sample of the colour of your choice.
